### Message

Mr DeSantis,  
I recd a \$375 electric bill this month from Duke. How they were allowed to raise there rates from \$9.17 on the basic rate to \$12.17 that's a very large increase. I am a senior and this is too much. I asked for a breakdown of appliance so perhaps I could make an adjustment, they use to provide that. They cant tell me. Now I know the Ac and refrigerator take up most, I leave my air on 77 or 78. I do t abuse it, I get the heat impacts the bill, but that rate increase is ridiculous.
