COMMISSION  
CLERK

Dear Mr. Teitzman:

Enclosed are four final and two legislative copies of proposed revisions to a Sumter Electric Cooperative, Inc. (SECO Energy) tariff sheet. The following rate sheets were modified:

- Residential Load Management Rider
  - First Revised Sheet No. 9.4
  - Original Sheet No. 9.5

The revisions to Sheet No. 9.4 and 9.5 reflect a simple change to the months assigned to each program season to better align with historical weather trends and sync with program partners and major Original Equipment Manufacturers (OEM).

We are proposing an effective date of August 1, 2025. During the review process, if you have any questions or need additional information regarding this filing, please contact me at 352-569-9622 or by email at [anh.reynolds@secoenergy.com](mailto:anh.reynolds@secoenergy.com)

Sincerely,

Anh Reynolds  
Vice President of Financial and Administrative Services
