DOCUMENT NO. 05344-2025
FPSC - COMMISSION CLERK

Item 2

Docket No. 20250035-GU – Petition for approval of 2025 depreciation study and for approval to amortize reserve imbalance, by Florida City Gas.

Issue 1: Should OPC’s Request for Oral Argument on its Motion for Reconsideration of Order No. PSC-2025-0102-PCO-GU be granted?

Recommendation: No. Staff believes that the pleadings are sufficient on their face for the Commission to evaluate and rule on the Motion. However, if the Commission chooses to exercise its discretion to hear oral argument, staff recommends that 5 minutes per side is sufficient.

(Continued from previous page)

Issue 2: Should OPC's Motion for Reconsideration be Granted?

Recommendation: No. Staff recommends denying OPC's Motion for Reconsideration under the Commission's traditional standard of review for such motions as: OPC has failed to articulate a reason to depart from that standard; the Motion fails to raise a point of fact or law that the Prehearing Officer overlooked or failed to consider in rendering the Denial Order; and the Commission has jurisdiction to continue with this docket.

Issue 3: Should this docket be closed?

Recommendation: This docket should remain open pending the Commission's final resolution of FCG's proposed depreciation study.
