I write as a concerned resident of Aspenwood in Grenelefe, Haines City Florida. I am the current owner of 78 Aspen Drive. It's my belief that your proposed rate hike would be financially crippling to me. It's my belief that when Mr House and his company proposed to redevelop Grenelefe that the cost of this upgrade would be passed on to the new home owners. Do the right thing and abide by an agreement and allow us to keep our homes
