Good Morning,

Earth Ethics is a not for profit located in the Panhandle of Florida with over 5,000 members and volunteers. We believe that despite FP&L's claims, they do NOT represent residential customers. Instead, they prioritize the interests of big business and corporate profits, leaving families and small businesses to shoulder a huge financial burden. Panhandle customers have already seen a 64% rate increase in their bills when FP&L purchased Gulf Power. No more!! It's time that FP&L and the PSC look out for the people and not profits.

With gratitude-

Mary Gutierrez, BS, MPA, CPH
