Docket No. 20250013-WS – Application for staff-assisted rate case in Highlands County, by LP Waterworks, Inc.

Issue 1: What are the appropriate test year operating revenues and rates for LP Waterworks, Inc.’s water and wastewater systems?

Recommendation: Staff recommends that the appropriate test year operating revenues are \$177,972 for water system and \$135,878 for the wastewater system. Furthermore, staff recommends that the rate increase of 10.97 percent for water and 9.92 percent for wastewater be applied as an across-the-board increase to service rates. The recommended water and wastewater rates are shown on Schedule Nos. 4-A and 4-B of staff’s memorandum dated October 23, 2025, respectively. The utility should file revised tariff sheets and a proposed customer notice to reflect the Commission-approved rates. The approved rates should be effective for service rendered on or after the stamped approval date on the tariff sheets pursuant to Rule 25-30.475(1), Florida Administrative Code (F.A.C.). In addition, the approved rates should not be implemented until staff has approved the proposed customer notice and the notice has been received by the customers. The utility should provide proof of the date notice was given within 10 days of the date of the notice.

Issue 2: Should this docket be closed?

Recommendation: No. If no person whose substantial interests are affected by the proposed agency action files a protest within 21 days of the issuance of the order, a consummating order should be issued. The docket should remain open for staff's verification that the revised tariff sheets and customer notice have been filed by the utility and approved by staff. In addition, this docket should remain open until the report with the summary of the results of the customer meeting has been submitted by the utility. Once these actions are complete, this docket should be closed administratively.
