This email is being sent to protest the 3rd or 4th Rate Hike being requested by TECO. We, the citizens of Tampa, are sick of these rate hikes.

My Electric Bill is almost \$200 dollars higher since last Summer and the Summer of 2023. Desantis is allowing this company to put their expenses onto us.

Why is a Canadian owned company controlling our Electricity?

We would like to all switch to a better local Carrier that does not put their greed before our livelihoods. We CAN'T AFFORD Another Rate Hike.

Sincerely,

Jacqueline Raines
