Good Afternoon Russell,

I have spoken to staff.

The CASR calendar currently reflects a "Revise CASR" date of 12/31. We'll keep that in place and the parties can continue their discussions.

More generally, it appears as if the parties are approaching the complaint with good faith and diligence. We'll continue to support those efforts.

Should the parties need additional time in the New Year, we are happy to discuss the docket again when the time comes.

Regards,

Ryan

Good morning. Checking to see if Staff has expressed a preference to you on how to address stopping discovery and other case milestones while the parties continue to negotiate a possible settlement.

Thanks,
