TECO Lawsuit Petition

Message
TECO has increased prices without any noticeable improvement in service or infrastructure, which begs the question: Are we being exploited? Independent reports have shown that TECO's operational costs haven't significantly increased, making their price hikes appear baseless and opportunistic. For the sake of all families affected, I urge lawmakers and consumer protection agencies to investigate TECO's pricing strategies and take action. Please respond to the petition signed by tens of thousands.
