Thank you for the confirmation, Ryan. Per this request, the docket title has been updated to, "Application for limited proceeding rate increase by Sunshine Water Services Company d/b/a Sunshine Water Services," to reflect the company name as shown in MCD. The utilities in the docket have also been updated to only reflect the company name as shown in MCD. Finally, the reference to Pinellas County has been removed.

Dorothy,

I noticed a Clerk's note in the document that opened the docket, which stated that the company name in the application does not include the d/b/a shown in MCD. Therefore, I confirmed with the company that its certificated name has not changed.

In light of the above, can you change the current title of this docket from, "Application for limited proceeding rate increase in Pinellas County, by Sunshine Water Services Company," to "Application for limited proceeding rate increase by Sunshine Water Services Company."

Regards,

Ryan
