RE: Administrative Closure of Docket No. 20250127-WU - Application for staff-assisted rate case in St. Johns County, by Wildwood Water Company.

Wildwood Water Company's (Utility) application for a staff-assisted rate case was denied as being ineligible due to a change of majority organizational control that was not approved by the Commission (Document No. 15121-2025). Staff has determined there are no pending issues that need to be addressed by the Commission and that the Utility did not file a written protest. Therefore, pursuant to Administrative Procedures Manual Section 2.07(C)(2)(c), staff requests that the docket be administratively closed.
