**Good Day !**

**Ref : FPSC & FPL Suspect Cover Up ! ( FPL Account No. 26582- 57510 )**

**US Navy Veteran Pertinent Feedback & Request.**

**Our Household has been directly effected by the minimum rate charge that has been levied against us since the year 2022.**

**In the interim the FPSC has granted FPL permission to continue same along with the OPC as the monetary penalization**

**continues every month.<<<,**

**We have no idea as to how the FPSC could possibly of granted FPL permission to do so without rewarding, or even commanding our**

**Household for conserving our electrical usage every month.<<<<**

**So in essence Governor we are being monetarily penalized every month by FPL for our Lower Consumption of KWH. <<<<**

**We are aware of the fact that your office has direct authority over the FPSC, and that you personally appoint the Board of Commissioners**

**as well.**

**We would sincerely appreciate your direct assistance in having the unwarranted charge removed as we have paid our dues.**

**Thank You Governor.**

**Respectfully,**
