Subject: Opposition to Proposed Water Rate Increase

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Dear Florida Public Service Commission Clerk,

I am a retired customer of Water Oak Utility in Lake County and I am writing to oppose the proposed water rate increase under Docket No. 20250088-WU.

The proposed increase, from an average of about \$15/month to more than \$100/month, seems excessive and would cause us serious financial hardship for those of us on fixed incomes. Water is an essential service, and customers have no alternative provider. An increase of this magnitude is neither reasonable nor affordable.

I respectfully urge the Commission to reject or consider significantly reducing the proposed rate increase for the residents of Water Oak.

Respectfully,
Barbara Darabos, Water Oak Resident
