Docket # 20250088WU Re: Water rate increase @ Water Oaks.

I recently moved from a community where the HOA fee was less, and water was free.

Somehow, I don't think this is about water.

We are required to water the lawns, but we don't own them. This also increases sewer fees & watering lawns should not affect those fees.

I understand that the cost of living increases, but this is excessive & just wrong.

How can we feel good about a community that would subject us to such actions?

Respectfully,
Leonard Toth 1/20/2026
