Dear Florida Public Service Commission,

I respectfully submit this letter to express my objection to the proposed water rate increase for the Water Oak Utility under Docket #2025008-WU.

My wife and I live on a fixed Social Security income in the Water Oak 55-and-over community. An increase of this magnitude would place an undue and serious hardship on residents who have no alternative water source and very limited financial flexibility.

With great respect, I ask the Commission to carefully reconsider this proposed increase and to pursue fair and reasonable solutions that protect seniors and disabled individuals living on fixed incomes.

Thank you for your time, consideration, and service to the public.

Sincerely,
Mr. Daniel R. Warne
