Subject: Docket No. 20250088-WU, Sun Communities Finance LLC d/b/a Water Oak Utility

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

I am writing to protest the proposed outrageous water rate hike proposed by Sun Communities to the residents of Water Oak Country Club Estates, a retirement 55 plus community. This is an excessive burden being placed on the residents due to Sun's mismanagement. Two major issues from document 15529-2025:

Issue 3: There was 32.3% unbilled water to the customers. 32.3 percent EUW.

Issue 6: The utility did not bill 17 general service customers during the test year. We have no idea who these customers are.

It seems to me that Sun wishes to place the burden of this unbilled water on the backs of the residents. Our financial obligation begins at our individual water meters, not at the wellhead.

Also I think Sun should provide the Commission with the number of water meters that are not working.

Thank you for your attention to this matter

Thanks,

Helene Allen
