**To whom it may concern:**

I am a resident in Water Oak, and this is my opinion. No matter who is increasing this water bill, it's complete insanity for whoever is doing it to think that those who are on a fixed income should be paying this increase. Between the lot rent

here and now this water bill going up it's just ridiculous. The people who live here are retired. They don't need to be going back to work at 75 years old trying to make ends meet. It's absolutely ridiculous. The bottom line is it's too much money and something needs to be done about it.

Sincerely,  
M.T. McCarey
