Dear Florida Public Service Commission Clerk,  
I am a retired resident and customer of Water Oak Utility in Lake County, and I am writing to oppose the proposed water rate increase, as outlined in Docket No. 20250088-WU.  
The proposed increase—from an average of about \$15 per month to more than \$100 per month—is excessive and would create a serious financial hardship for me and other retirees living on fixed incomes. Water is an essential service, and customers have no alternative provider. An increase of this magnitude is neither reasonable nor affordable.  
I respectfully urge the Commission to reject or significantly reduce this proposed rate increase and to prioritize affordability and consumer protection for me and other residents of Water Oak.  
Thank you,  
Monetta L. Ross
