Docket No.20250088-WU, Sun Communities Finance LLC d/b/a Water Oak Utility. I am writing to formally protest the proposed 400% increase in my water bill/rate. I am a homeowner in Wateroak owned by Sun Communities and this increase will have a great impact for us as residents. It is disproportionate to the cost of services. It will create financial burdens on those of us living on fixed incomes and also make it difficult to sell. There seems to be a lack of justification that the company has not provided. A transparent investigation and report into these costs should be conducted and documentation provided to explain this extreme rate hike
Sincerely, Debra Cromell
