To whom it may concern:

I am a resident of Water Oak Country Club Estates. I am writing to express my strong opposition to the proposal to increase our water rates by 700% to 900%.

As an over-55 community, at least 75% of our residents live on a fixed income. Many are already struggling to manage annual lot rent increases, and a rate hike of this magnitude is simply unsustainable for this population.

I urge you to reconsider this proposal.

Best regards,

Brian Mahoney
