Dear Florida Public Service Commission Clerk,

I am a retired customer of Water Oak Utility in Lake County and I am writing to oppose the proposed water rate increase under

Docket No. 20250088-WU. I feel this proposed rate increase is excessive and will create a serious financial hardship like those of myself on a fixed income.

Water is an essential service and we have no other alternative provider, so we will be put in a position to limit water use like daily handwashing, doing laundry, bathing and much more.

Respectfully, I urge the Commission to reject or reduce the proposed increase and to prioritize affordability and consumer protection for residents of Water Oak. It is a wonderful community and we love living here.

Respectfully,
Julie Dura
