Dear Sir or Madam,

I understand a 400% water and sewer rate increase has been set forth from Sun Communities for the Water Oak Estates 55+ community in Lady Lake FL.

This increase is totally unreasonable as most if not all the residents are retired and living on a fixed income.

I have been a resident of FL since 2019 living in Summerfield prior to moving to Water Oak. I have not experienced such an outrageous single increase proposed for water and sewer. I hope the state of FL will deny this request from the Sun Communities Corporation and instead protect the residents of FL.

Please contact me if more information is required as I would be happy to discuss further at your convenience.

Kind Regards,

Elizabeth Fayelle Whelihan
