I am writing to formally protest the proposed 400 percent increase with our water/wastewater at Water Oak Country Club. We've owned since 2020. Water Oak Country Club is owned by Sun Communities, a 55+ mobile home park. According to the expenses and revenue reports listed on their website, their investors revenue exceeds expenses by far.

I find this proposed increase to be unjust, unconscionable, and disproportionate to the cost of service. Especially for those of us who are living on fixed incomes.
I request that this letter be counted as a formal, written objection to this increase.

Grounds for Protest: Undue Financial Burden: An increase of this magnitude is not sustainable, and quite simply... elder abuse.

Lack of Justification: The company has not provided sufficient evidence that the infrastructure improvements or costs justify a 400 % increase to my household.

I request that the PSC thoroughly investigate the rate-setting methodology of the Water Company and deny this excessive increase. I also request a review of my billing history to verify the accuracy of the proposed amount.

Sincerely,

Robert McIntyre
