BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for rate increase by Florida Power & Light Company.

DOCKET NO. 20250011-EI
ORDER NO. PSC-2025-0323-PCO-EI
ISSUED: August 22, 2025

FIRST ORDER REVISING ORDER ESTABLISHING PROCEDURE

I. Case Background

This proceeding was set for final hearing on August 11-22, 2025, by Order No. PSC-2025-0075-PCO-EI, issued March 14, 2025. On August 8, 2025, Florida Power & Light Company filed a Notice of Settlement in Principle and Joint Motion to Suspend Schedule and Amend Procedural Order. The Florida Industrial Power Users Group, Florida Retail Federation, Florida Energy for Innovation Association, Walmart Inc., EVgo Services, Americans for Affordable Clean Energy, Circle K, RaceTrac, Wawa, Electrify America, Federal Executive Agencies, Armstrong World Industries, and the Southern Alliance for Clean Energy (collectively “Signatories”) joined in the Joint Motion to Suspend. On August 11, 2025, the Office of Public Counsel, Florida Rising, League of United Latin American Citizens Florida, Environmental Confederation of Southwest Florida, and Floridians Against Increased Rates (collectively “Non-Signatories”) filed a Joint Response in Opposition to the Joint Motion to Suspend.

After hearing argument from the parties, the Commission voted to grant the Joint Motion and suspend the schedule in order to allow the parties time to finalize the settlement. On August 12, 2025, Order No. PSC-2025-0304-PCO-EI memorializing this vote was issued in the docket. The Order acknowledged the Notice of Settlement, granted the Motion to Suspend Schedule, and deferred ruling on the Motion to Amend Procedural Schedule. The Order noted that ruling on the Motion to Amend was deferred “in order to allow time for the parties to finalize and file the settlement agreement, and for our staff and the Prehearing Officer to have sufficient time to review the agreement and determine an appropriate schedule consistent with ensuring due process for all parties.”¹

On August 20, 2025, FPL and the Signatories filed a Joint Motion for Approval of Settlement Agreement. The Non-Signatories did not sign or otherwise join in the Settlement Agreement. Accordingly, the Settlement Agreement is not unanimous, and further proceedings under Section 120.57(1), Florida Statutes, are necessary to address the disputed issues of material fact.

Pursuant to Rule 28-106.211, F.A.C., this Prehearing Order is issued to prevent delay and to promote the just, speedy, and inexpensive determination of all aspects of this case. This Commission is vested with jurisdiction over the subject matter by the provisions of Chapters 120 and 366, F.S. This hearing will be governed by said Chapter and Chapters 25-6, 25-22, and 28-106, F.A.C., as well as any other applicable provisions of law.
