Mr Sanchez

I hope this email finds you well, having had a good holiday season .

I don't have anything definitive to report as of today but I have contacted Swiftmudd about any info that could be helpful to my quest. I hopefully will receive info soon, some only returning to their offices last week .I have requested files for our records since we are still recreating information

I have also contacted the engineering group that assisted with our Swiftmud permit to help with anything they may have

I am committed to getting this issue (discrepancy) resolved
