Forward to clerks. There is a question as well, I don't know if we can request anything. 20250088

Subject: Water rates for Water Oak Country Club in Lady Lake, FL (lawns)

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

The rate will be very unreasonable. We must keep our houses and yards looking presentable to live in this community. This means watering our lawns twice a week in dry weather. The water we use on the lawns, are charged sewer also. This is unfair.

Our water bill will be enormously high having to water our lawns when it's dry and paying sewer. Can you possibly request that we do not have to pay sewer on water that is simply ground water only?

We are seniors in this community and cannot afford the purposed rate with sewer tacked on to it.

Thank you
