Governor Ron DeSantis, State of Florida

Good Day Sir !

FPL Account No. 26582-57510

**Ref : Minimum Monthly Bill Base Charge : \$16.65 The City Of Hollywood, FL
Collects: \$5.31**

Our Household has been Inappropriately, and also Monetarily Penalized every Month since the year 2022 for our Lower Monthly

Consumption of electrical power as supplied by the Greedy Conglomerate FPL.

The Unwarranted Charge was to be discontinued last month, but the FPSC made a decision to allow FPL to continue the charge ?<<<<<

Governor our Household has no idea whatsoever as to how the FPSC could act so irresponsibly by allowing FPL to do as they

please, as we have not been commended or rewarded by FPL for our diligent usage of our electrical power every month.

We are respectfully requesting your direct assistance Governor in order to hopefully have the Unwarranted Charge removed from

our Monthly electrical bill.

Thank You Governor.

Respectfully,

Michael J. Walsh
