## CUSTOMER COMMENTS

I am writing to express my disapproval for a rate increase in our water.

This community has constant repairs, yet never a solution.

This water is unconsumable. Smells like rotten eggs. I can't drink or cook with it.

It stains my toilets, leaves residue in my sinks.

I have to buy bottled water to survive.

Any increase without resolution to fix current problems permanently is unacceptable!

I DO NOT APPROVE ANY RATE INCREASE!
