FPSC - COMMISSION CLERK

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Application for increase in water and wastewater rates in Brevard, Citrus, Duval, Highlands, Marion, and Volusia Counties by CSWR-Florida Utility Operating Company. /	DOCKET NO. 20250052-WS DATED: April 27, 2026

CSWR-FLORIDA'S MOTION FOR PROTECTIVE ORDER AND REQUEST FOR CONFIDENTIAL CLASSIFICATION OF EMPLOYEE COMPENSATION DATA RESPONSIVE TO STAFF INTERROGATORIES 151 AND 161 AND STAFF DOCUMENT REQUEST 57

CSWR-Florida Utility Operating Company, LLC ("CSWR-Florida"), pursuant to Rules 25-22.006(4) & (6), Florida Administrative Code, files this Motion for Protective Order and Request for Confidential Classification with regard to certain employee compensation data requested by staff in discovery. In support, CSWR-Florida states:

1. Staff interrogatory 151.a. requests a list of all CSWR-LLC employees with a portion of salary, compensation, or other benefits allocated to CSWR-Florida, including each employee's respective titles, duties, and total compensation amount. Staff interrogatory 151.c. requests an explanation of the methodology used to allocate salaries and other compensation from CSWR-LLC to Florida.

2. Staff request for the production of documents 57 similarly requests "time sheets, as well as any other documentation that may illustrate allocation of hours worked throughout the day, for all CSWR-LLC employees that have salary charged to CSWR-FL."

3. The documents responsive to staff interrogatories 151.a. and 151.c. and staff request for the production of documents 57 include Excel spreadsheets (one for each month of the test year, plus another list of titles) that identify CSWR employees by name and title then provide detailed information relating to each employee's compensation and the amounts of such compensation allocated to each of the CSWR affiliates, including CSWR-Florida.

4. Staff interrogatory 161 relates to employees identified in MFR schedule B-10 (analysis of rate case expense) and requests the title, duties, and salary for each employee listed and how CSWR-Florida made certain hourly rate calculations.

5. The documents responsive to staff interrogatory 161 include a list of employees by name, title, and total compensation, as well as the total compensation to other company positions by title.

6. For purposes of this request and motion, CSWR-Florida refers to the responsive information for which confidential classification is sought as the "Employee Compensation Data."

7. The Employee Compensation Data is proprietary confidential business information confidential and exempt from public disclosure.

8. Section 367.156(1), Florida Statutes, provides that "any records received by the commission which are shown and found by the commission to be proprietary confidential business information shall be kept confidential and shall be exempt from s. 119.07(1)."

9. Section 367.156(3), Florida Statutes, defines proprietary confidential business information as:

> (3) Proprietary confidential business information means information, regardless of form or characteristics, which is owned or controlled by the person or company, is intended to be and is treated by the person or company as private in that the disclosure of the information would cause harm to the ratepayers or the person's or company's business operations, and has not been disclosed unless disclosed pursuant to a statutory provision, an order of a court or administrative body, or a private agreement that provides that the information will not be released to the public. Proprietary business information includes, but is not limited to:
>
> (a) Trade secrets.
>
> (b) Internal auditing controls and reports of internal auditors.
>
> (c) Security measures, systems, or procedures.

> (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the utility or its affiliates to contract for goods or services on favorable terms.
>
> (e) Information relating to competitive interests, the disclosure of which would impair the competitive businesses of the provider of the information.
>
> (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities.

10. The Employee Compensation Data is controlled by CSWR, LLC, CSWR-Florida and other CSWR affiliates. It is intended to be and is treated as private.

11. The Employee Compensation Data meets the definition of proprietary confidential business information in at least two ways. At minimum, it is "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the utility or its affiliates to contract for goods or services on favorable terms" under Section 367.156(3)(d) and is "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive businesses of the provider of the information" under Section 367.156(3)(e).

12. Disclosure of the Employee Compensation Data would harm the business and competitive interests of CSWR, LLC and CSWR-Florida. The Employee Compensation Data includes each employee's name, title, total salary, total benefits, and total amount allocated to CSWR-Florida. If publicly disclosed, this information would impair CSWR, LLC and CSWR-Florida's ability to contract for employees on favorable terms, and impair their competitive interests. Among the harms, other utilities could identify and try to poach CSWR employees based on this data, disrupting operations and increasing costs and ultimately rates.

13. Employee compensation data has been previously found by the Commission to constitute proprietary confidential business information. *See, e.g., In re: Application for increase in water and wastewater rates in Seminole County by Sanlando Utilities Corporation*, Docket No.

20110257-WS, Order No. PSC-12-0096-CFO-WS (Fla. P.S.C. March 5, 2012)(concluding that "[t]he information constitutes either contractual data or information relating to competitive interests. . . ."); *In re: Application for increase in water and wastewater rates in Charlotte, Highlands, Lake, Lee, Marion, Orange, Pasco, Pinellas, Polk, and Seminole Counties, by Sunshine Water Services Company*, Docket No. 20240068-WS, Order No. PSC-2025-0198-CFO-WS (Fla. P.S.C. June 10, 2025); *see also Fla. Power & Light Co. v. Fla. Pub. Serv. Comm'n*, 31 So. 3d 860 (Fla. 1st DCA 2010)(holding that information relating to the compensation of utility employees warranted confidential classification as disclosure would have impaired the utility's competitive interest).

14. Pursuant to Rule 25-22.006(4)(d), Florida Administrative Code, CSWR-Florida affirms that the Employee Compensation Data is intended to be and is treated by CSWR-Florida as private and confidential and has not been publicly disclosed.

15. In compliance with Rule 25-22.006(4), F.A.C., attached as Exhibit A is a justification matrix that correlates the Employee Compensation Data to the specific statutory justification proffered in support of confidential classification.

16. In compliance with Rule 25-22.006(4)(a), F.A.C., attached as Exhibit B is a redacted copy of the responsive Employee Compensation Data. Subsequent to electronic filing, CSWR-Florida will hand deliver to the Commission Clerk an unredacted highlighted copy of the Employee Compensation Data.

WHEREFORE, CSWR-Florida respectfully requests that the Employee Compensation Data provided in response to staff's discovery requests be classified as proprietary confidential business information confidential and exempt from disclosure under the Public Records Act in Chapter 119, Florida Statutes, and Article I, Section 24(a) of the Florida Constitution and that a

protective order be issued against public disclosure. CSWR-Florida requests that the material (Exhibit B) be classified as confidential for the maximum period of time allowed and that the unredacted copy be returned to CSWR-Florida upon closure of this docket.

Respectfully submitted this 27th day of April, 2026.

Among the harms, other utilities could try to poach CSWR employees based on this data, disrupting operations and increasing costs and ultimately rates. CSWR-Florida keeps this information strictly confidential to also prevent competitors and prospective counterparties from information that could be used in future negotiations to the disadvantage of CSWR-Florida and its affiliates.

CSWR-Florida Utility Operating Company
Staff ROG 161

Name	Title	Duties
Josiah Cox	President	Oversees the overall operations and strategic direction of the company, ensuring business performance, financial health, and organizational alignment. Leads executive teams, implements company policies and drives initiatives while representing the organization.
Mike Duncan	Vice President	Manages information technology (IT), regulatory compliance, and customer service operations, overseeing these functions for all CSWR affiliated companies
Jake Freeman	Director of Engineering	Manages and provides oversight to CSWR-Florida and its affiliated companies including leading engineering, surveying, facilitating construction, and capital upgrade activities for all water and wastewater systems.
Aaron Silas	AVP of Regulatory Operations & Customer Experience	Manages and oversees all state utility commission regulatory filings including acquisitions, rate cases, CCN expansions, and compliance reporting. Also leads external communications and customer experience operations including the third-party call center.
Brent Thies	Vice President/Corporate Controller	Oversees accounting operations for CSWR and its affiliated companies including financial controls, accounting policies, as well as accurate reporting of revenue, expenses and capital expenditures, billing operations and regulatory reporting while leading the preparation of management reports and coordinating with external auditors and tax professionals.
Todd Thomas	Senior Vice President	Oversees acquisition and operations of all CSWR affiliated companies, including engaging and overseeing operations and maintenance (O&M) service providers and contractors managing day-to-day utility operations.
