Dear Commissioner,

I live in Sunlake Estates and am writing to you out of concern of the proposed water rate increase by SUN, Inc. The proposed rate increase of 78% to 190% is unfair and unreasonable. Many of our residents cannot afford such an excessive increase and will be forced to relocate. We are already struggling to pay the yearly rent increases, the ever increasing pass-through taxes, and the new Sunlake mandate of watering lawns twice a week and pressure washing homes once a year. All of this combined with daily living expenses will be too much to bear. Please reconsider this rate increase.

Thank you for your consideration of this matter.
