QUESTION:

Please verify that the costs for Hurricanes Debby and Helene were invoiced and processed in the same manner as those incurred for Hurricane Milton.

RESPONSE:

Yes. The cost review and processing of invoices for Hurricanes Debby and Helene were completed in the same manner as those related to Hurricane Milton. For all three storms events, invoices were subject to the same policies, procedures, controls, and review processes prior to payment, including review for accuracy, completeness, and compliance with applicable contract terms and FPL's storm accounting practices.
