RE: Docket No. 20240149-EI – Petition for limited proceeding for recovery of incremental storm restoration costs related to Hurricanes Debby, Helene, and Milton, by Florida Power & Light Company.

Dear Mr. Wright and Mr. Baker:

By this letter, the Commission staff requests that Florida Power & Light Company (FPL) provide responses to the following data requests:

1. Please refer to witness Mohamed's testimony pages 23-24 and EXH AM-3, explain why the testimony states that all fuel-related costs charged to the storm work breakdown structures would be considered incremental. However, on EXH AM-3, Hurricane Milton, there is an ICCA adjustment to remove \$82,000 for fuel.

Please file all responses electronically no later than Monday, May 25, 2026, through the Commission's website at www.floridapsc.com, by selecting the Clerk's Office tab and Electronic Filing Web Form. *In addition, please email the filed response to discovery-gcl@psc.state.fl.us.*
