Subject: Objection to Docket No 20250108-WS, Proposed Water Rate Increase - Sunlake Estates Utilities, LLC in Lake County

Dear Commissioner,

I am writing to formally express my strong opposition to the proposed water rate increase requested by Sunlake Estates Utilities, LLC (Docket No. 20250108-WS) in Lake County. As a customer and resident, this drastic increase (78% to 190%) is unwarranted and will place a significant financial burden on my household.

My concerns include, but are not limited to:

Affordability: The proposed rate increase is excessive compared to inflation and income growth. A [78% to 190%] increase is unjustifiable.

- Quality of Service: The current service provided does not justify higher rates, particularly regarding complete outages lasting several hours at a time, Sunlake Estates Utilities, LLC requesting us to maintain lawns but providing no relief on the sewer side for watering the lawn, and the lack of communication when water pressure drops.
- Impact on Seniors/Fixed Income: Many residents in this 55+ community are on a fixed income, and this increase will force them to choose between water service and other essentials. Along with their 5+% rent increase last year and projected 8% rent increase this year It could even cause some to have to sell their home or walk away from the house just to survive.
