Docket No. 20250108-WS

Dear Commissioners

My husband and I live in a 55+ community Sunlake Estates in Lake County Florida. We are very happy and don't want to move. If our living expenses keep increasing ,we will be forced to move.

We strongly oppose to *Proposed Water Rate Increase* in our 55+ Community.

Many of our aging neighbors are already struggling with food, taxes, gas, etc. An increase in our water is something you should reconsider and not approve.

We all need water, and many of our elderly will cut back on this very important necessity for life, due to its cost.

The decision that greatly affects our 55+ community depends on your vote.

Sincerely

Bob & Anita Marshall
