Dear Commissioners,

I would like to express my strong opposition to proposed water rate increase! Please take time to consider the consequence this will cause for MANY residents. We would also like a more transparent explanation of need to increase.

We own THREE homes in the community. To welcome guests, of which one couple purchased a home here. We hope to be able to live here, throughout our retirement years.

The increase in cost of so many things, is making it difficult to maintain a comfortable retirement. This increase would greatly add to inflation.

Please Consider Voting Down the Increase
Thank you for your time.....
Have A Great Day!!!
