Subject: Strong Opposition to Water Rate Increase

Commissioners,

We would like to express our deep concerns over the excessive water rate increase of 187% to take effect 8-4-26. We deserve a clear itemized explanation of the thoughts going into this. Most people living in our community are on fixed incomes and this would be a huge problem. We sure hope you consider the voices of all the people this will affect.

Our community has had so many line breaks

10 - 2023

29 - 2024

15 - 2025

This is excessive.

Please consider all involved.
