Thank you for the confirmation, Suzie. Per our conversation and your confirmation below, we will designate Mr. Lutz as a party of record and remove all other interested persons. At such time as the docket should become a rulemaking matter, all interested persons can be re-added for noticing purposes.

Subject: Docket No. 20260072-OT

Good morning:

In follow-up to our conversation, GCL agrees this is not yet a rulemaking docket. The matter is before the Commission pursuant to a petition to initiate rulemaking. Accordingly, Mr. Lutz should be the only party, and would not be an interested person. If the Commission grants the petition, it would then become a rulemaking matter, and all interested persons (all electric, gas, water, and wastewater utilities, and OPC) would be notified.

With best regards,

Suzie
