Re: Florida Power & Light Company – Docket No. 20260000-OT, Notice of Issuance of Renewed Operating Licenses for St. Lucie Unit Nos. 1 & 2, Pursuant to Rule 25-6.04365(6), Florida Administrative Code

Dear Mr. Teitzman:

Rule 25-6.04365(6), Florida Administrative Code (“F.A.C”), directs each utility to provide the Commission Clerk with a written summary of communications concerning major milestones between the Nuclear Regulatory Commission (“NRC”) and the utility relating to license renewal within 21 days of receipt or mailing by the utility.

On April 28, 2026, the NRC issued renewed operating licenses for Florida Power & Light Company’s St. Lucie Unit Nos. 1 and 2. The new expiration dates for Units 1 and 2 following the 20-year renewal terms are March 1, 2056 and April 6, 2063, respectively. The issuance of these renewed operating licenses constitutes a major milestone under Rule 25-6.04365(6), F.A.C.

Please contact me should you or your staff have any questions regarding this notice.

Sincerely,

/s/ Joel T. Baker
