RE: Docket 20260000 – Undocketed Filings
Confidential RAF Records Destruction

Based on the responses we received from the Division of Economics and the Office of Auditing and Performance Analysis, and given that the confidential RAF records referenced have met the retention criteria outlined in the PSC Records Retention Schedule # 257, Item 1, Fee Records: Utility Regulatory Assessment, we do not see any reason to retain these files, therefore, the documents on the enclosed list should be destroyed.
