Dear Mr. Teitzman,

I am electronically filing the following updated Wholesale Power Cost Adjustment (WPCA) tariff for Suwannee Valley Electric Cooperative.

SVEC recently noticed an error in its currently filed WPCA rate tariff: Thirteenth Revised Sheet 10.0). As a result, SVEC is filing the attached rate tariff intended to replace and correct the existing sheet.

Please contact me with any questions or if further information is needed. Also, I appreciate your patience and working with SVEC as we transition the filing of rate tariff to an internal function.

Respectfully,

A handwritten signature in cursive script that reads "Crystal M. Ecker".

SUWANNEE VALLEY ELECTRIC COOPERATIVE, Inc.

WHOLESALE POWER COST ADJUSTMENT (WPCA)

APPLICABILITY:

To be added to monthly rate of each filed rate schedule in which reference is made to this schedule.

CALCULATION:

All energy charges shall be increased or decreased by 1/10th mill (\$.0001) per kilowatt hour for each 1/10 mill or major fraction thereof, by which the average wholesale power cost per kilowatt hour sold for the preceding month exceeds or is less than 80.0 mills (\$.0800).

The level of this adjustment for billing purposes may be established at the option of management from historical and/or projected trends. Any over or under collection of the Wholesale Power Cost Adjustment for a fiscal year shall be returned or recovered in the subsequent fiscal years wholesale power cost adjustments.
