COMMISSION CLERK

DOCKET NO: 20260026-GU DOCUMENT NO: 02752-2026
DESCRIPTION: FCG (Keating) - (CONFIDENTIAL) Flash drive containing certain information and documents in response to Citizens' 1st request for PODs (Nos. 11 and 12).

SOURCE: Florida City Gas

Pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code, Florida City Gas (FCG or Company) filed a request for confidential classification of certain information sent in response to Citizens' first requests for Production of Documents (POD). More specifically, the confidential information relates to POD Nos. 11 and 12.

According to FCG, the information in POD 11 contains contractual data, the disclosure of which would impair the efforts of the Company and affiliates to contract for goods or services on favorable terms. Specifically, the information contains pricing information. Additionally, FCG stated that POD 12 contains Excel files of projected information and budget information that the Company treats as confidential. The disclosure of which would impair the Company's competitive business and harm their ability to compete in the gas utility market and capital funding.

Staff has reviewed FCG's confidentiality request and agrees that the nature of the information meets the requirements set forth in Section 366.093(3)(d)(e), F.S. Therefore, staff recommends that the request for confidentiality of information included in Document No. 02752-2026 be approved.
