Commissioners Assigned: All Commissioners

Staff: ECR: Joyce, Rendell
GCL: Jaeger

Issue 1: Should Marion’s request for changes and additions to Tariff Sheet No. 15.1 be approved?

Recommendation: Yes. The utility’s Second Revised Sheet No. 15.1 should be approved as filed. The utility should file a proposed customer notice to reflect the Commission-approved charges. The approved charges should be effective for service rendered on or after the stamped approval date of the tariff, pursuant to Rule 25-30.475(1), Florida Administrative Code, provided that the notice has been approved by staff. Within 10 days of the date the order is final, the utility should be required to provide notice of the tariff changes to all customers. The utility should provide proof that the customers have received notice within 10 days after the date that the notice was sent.

Issue 2: Should this docket be closed?

Recommendation: Yes. If Issue 1 is approved, the revised tariff should become effective on or after the stamped approval date on the revised tariff sheet, pursuant to Rule 25-30.475, Florida Administrative Code. If a protest is filed within 21 days of the issuance date of the Order, the tariff should remain in effect with all increased charges held subject to refund pending resolution of the protest, and the docket should remain open. If no timely protest is filed, the docket should be closed upon the issuance of a Consummating Order.
