Case Background

America's Wireless Choice, Inc. (America's Wireless) is a certificated competitive local exchange telecommunications company based in Ocala, Florida. The company provides competitive local exchange telecommunications services in Florida.

Between June 20, 2005, and June 24, 2005, staff received four complaints filed against the company. According to each of the complainants, their local telephone service was disconnected without notice on June 20, 2005. The customers paid in advance for their telephone service, however, when their services were disconnected the company did not refund their money.

Docket No. 050556-TX
Date: September 8, 2005

After receiving the complaints, staff contacted the company several times and requested that the company respond to the customer complaints. Staff later learned that the company was no longer in business and that the company had discontinued services to all of its customers. On June 30, 2005, staff sent a certified letter to the company. The letter again notified the company of the customer complaints and requested that the company provide staff with a response. The letter also informed the company of staff's knowledge that the company was no longer in business and advised the company to refund its customers for services which the company received payment but did not provide. The letter was returned unclaimed.

The Commission is vested with jurisdiction over this matter pursuant to Sections 364.285 and 364.337, Florida Statutes. Accordingly, staff believes the following recommendations are appropriate.

Discussion of Issues

Issue 1: Should the Commission impose a penalty upon America's Wireless Choice, Inc. in the amount of \$10,000 per apparent violation, for a total of \$40,000 for four apparent violations of Rule 25-22.032(6)(b), Florida Administrative Code, Customer Complaints?

Recommendation: Yes. (Curry, Roland, Susac)

Staff Analysis: Pursuant to Section 364.285, Florida Statutes, the Commission may impose a penalty or cancel a certificate if a company refuses to comply with the Commission's rules. According to Rule 25-22.032(6)(b), Florida Administrative Code, Customer Complaints, a company shall provide staff with a written response to a customer complaint within 15 working days after staff sends the complaint to the company.

As stated in the case background, staff received four customer complaints against America's Wireless regarding improper disconnection. As of the date of filing this recommendation, America's Wireless has yet to respond to the customer complaints, which is in apparent violation of Rule 25-22.032(6)(b), Florida Administrative Code.

Pursuant to Section 364.285(1), Florida Statutes, the Commission is authorized to impose upon any entity subject to its jurisdiction a penalty of not more than \$25,000 for each day a violation continues, if such entity is found to have *refused to comply with* or to have *willfully violated* any lawful rule or order of the Commission, or any provision of Chapter 364, Florida Statutes.

Section 364.285(1), Florida Statutes, however, does not define what it is to "willfully violate" a rule or order. Nevertheless, it appears plain that the intent of the statutory language is to penalize those who affirmatively act in opposition to a Commission order or rule. See, Florida State Racing Commission v. Ponce de Leon Trotting Association, 151 So.2d 633, 634 & n.4 (Fla. 1963); c.f., McKenzie Tank Lines, Inc. v. McCauley, 418 So.2d 1177, 1181 (Fla. 1st DCA 1982) (there must be an intentional commission of an act violative of a statute with knowledge that such an act is likely to result in serious injury) [citing Smit v. Geyer Detective Agency, Inc., 130 So.2d 882, 884 (Fla. 1961)]. Thus, a "willful violation of law" at least covers an act of commission or an intentional act.

However, "willful violation" need not be limited to acts of commission. The phrase "willful violation" can mean *either* an intentional act of commission or one of omission, that is *failing* to act. See, Nuger v. State Insurance Commissioner, 238 Md. 55, 67, 207 A.2d 619, 625 (1965)[emphasis added]. As the First District Court of Appeal stated, "willfully" can be defined as:

An act or omission is 'willfully' done, if done voluntarily and intentionally and with the specific intent to do something the law forbids, or *with the specific intent to fail to do something the law requires to be done*; that is to say, with bad purpose either to disobey or to disregard the law.

Metropolitan Dade County v. State Department of Environmental Protection, 714 So.2d 512, 517 (Fla. 1st DCA 1998)[emphasis added]. In other words, a willful violation of a statute, rule or order is also one done with an intentional disregard of, or a plain indifference to, the applicable statute or regulation. See, L. R. Willson & Sons, Inc. v. Donovan, 685 F.2d 664, 667 n.1 (D.C. Cir. 1982).

Thus, America's Wireless' failure to respond to the customer complaints meets the standard for a "refusal to comply" and "willful violations" as contemplated by the Legislature when enacting section 364.285, Florida Statutes.

"It is a common maxim, familiar to all minds, that 'ignorance of the law' will not excuse any person, either civilly or criminally." Barlow v. United States, 32 U.S. 404, 411 (1833); see, Perez v. Marti, 770 So.2d 284, 289 (Fla. 3rd DCA 2000) (ignorance of the law is never a defense). Moreover, in the context of this docket, all intrastate interexchange telecommunication companies, like America's Wireless are subject to the rules published in the Florida Administrative Code. See, Commercial Ventures, Inc. v. Beard, 595 So.2d 47, 48 (Fla. 1992).

Further, the amount of the proposed penalty is consistent with penalties previously imposed by the Commission upon other telecommunications companies that have failed to respond to consumer complaints. Therefore, staff recommends that the Commission find that America's Wireless has, by its actions and inactions, willfully violated Rule 25-22.032(6)(b), Florida Administrative Code, and impose a penalty in the amount of \$10,000 per apparent violation, for a total of \$40,000 against America's Wireless for four apparent violations.

Issue 2: Should this docket be closed?

Recommendation: The Order issued from this recommendation will become final effective upon issuance of a Consummating Order, unless a person whose substantial interests are affected by the Commission's decision files a protest that identifies with specificity the issues in dispute, in the form provided by Rule 28-106.201, Florida Administrative Code, within 21 days of the issuance of the Proposed Agency Action Order. As provided by Section 120.80(13) (b), Florida Statutes, any issues not in dispute should be deemed stipulated. If America's Wireless fails to timely file a protest and request a Section 120.57, Florida Statutes, hearing, the facts should be deemed admitted, the right to a hearing waived, and the penalty should be deemed assessed. If America's Wireless fails to pay the penalty within fourteen (14) calendar days after the issuance of the Consummating Order, the company's Certificate No. 8317 should be cancelled. If America's Wireless's certificate is cancelled in accordance with the Commission's Order from this recommendation, the company should be required to immediately cease and desist providing telecommunications services in Florida. This docket should be closed administratively upon either receipt of the payment of the penalty or upon the cancellation of the company's certificate.

Staff Analysis: Staff recommends that the Commission take action as set forth in the above staff recommendation.
