AGENDA: 12/06/05 – Regular Agenda – Proposed Agency Action – Interested Persons May Participate

COMMISSIONERS ASSIGNED: All Commissioners

PREHEARING OFFICER: Administrative

CRITICAL DATES: None

SPECIAL INSTRUCTIONS: None

FILE NAME AND LOCATION: S:\PSC\CMP\WP\050705.RCM.DOC

Discussion of Issues

Issue 1: Should the Commission impose a penalty and a cost of collection, together totaling \$500, or cancel the Intrastate Interexchange Carrier's (IXC) tariff and remove from the register each company identified in Attachment A, with an effective date of December 31, 2005, for an apparent first violation of Section 364.336, Florida Statutes?

Recommendation: Yes, the companies listed in Attachment A should be penalized \$500 or have their tariffs and registrations cancelled for nonpayment of the 2004 Regulatory Assessment Fee. (Isler, Scott)

Staff Analysis: See attached proposed Order. In Docket No. 050378-TP, Rule 25-4.0161, Florida Administrative Code, was amended effective October 6, 2005, to automatically impose a penalty for late payment of the Regulatory Assessment Fee. The amended rule does not apply to the 2004 Regulatory Assessment Fee but will apply to future Regulatory Assessment Fees.

Issue 2: Should these dockets be closed?

Recommendation: Staff recommends that the Order issued from this recommendation will become final and effective upon issuance of a Consummating Order, unless a person whose substantial interests are affected by the Commission's decision files a protest that identifies with specificity the issues in dispute, in the form provided by Rule 28-106.201, Florida Administrative Code, within 21 days of the issuance of the Proposed Agency Action Order. As provided by Section 120.80(13)(b), Florida Statutes, any issues not in dispute should be deemed stipulated. If any company fails to timely file a protest and to request a Section 120.57, Florida Statutes, hearing, the facts should be deemed admitted and the right to a hearing waived. If any company fails to pay the penalty and cost of collection, together totaling \$500, and Regulatory Assessment Fees, including statutory late payment charges, within fourteen (14) calendar days after the issuance of the Consummating Order, the company's tariff should be cancelled administratively, its name removed from the register, and the collection of the past due Regulatory Assessment Fees, including statutory late payment charges, should be referred to the Florida Department of Financial Services for further collection efforts. If any company's tariff is cancelled and its name removed from the register in accordance with the Commission's Order from this recommendation, the company should be required to immediately cease and desist providing intrastate interexchange telecommunications service in Florida. These dockets should be closed administratively either upon receipt of the payment of the penalty and cost of collection, and Regulatory Assessment Fees, including statutory late payment charges, or upon cancellation of the company's tariff and removal from the register. (Scott)

Staff Analysis: Staff recommends that the Commission take action as set forth in the foregoing staff recommendation statement.

NOTICE OF PROPOSED AGENCY ACTION ORDER IMPOSING PENALTIES AND
COLLECTION COSTS, AND REQUIRING PAYMENT OF DELINQUENT REGULATORY
ASSESSMENT FEES, OR CANCELLING IXC TARIFFS AND REMOVAL FROM THE
REGISTER FOR VIOLATION OF SECTION 364.336, FLORIDA STATUTES

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

The Division of the Commission Clerk & Administrative Services (CCA) advised our staff that the entities had not paid the Regulatory Assessment Fee (RAF) in full required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, for the years specified below. Also, accrued statutory late payment charges required by Section 350.113(4), Florida Statutes, for the year(s) specified below had not been paid. The entities listed below were scheduled to remit their respective 2004 RAFs by January 31, 2005. In addition to RAF payment notices sent by CCA, on July 29, 2005, our staff wrote the entities specified below and advised that payment of the 2004 RAF should be paid by August 19, 2005, to avoid dockets from being established. As of November 9, 2005, the entities listed below have not paid the past due RAF, including statutory late payment charges, requested cancellation of their respective tariff and removal from the register, or proposed a settlement.

Pursuant to Section 364.285, Florida Statutes, this Commission may impose a penalty or cancel a certificate if a company refuses to comply with Commission rules. Rule 25-24.474, Florida Administrative Code, establishes the requirements for cancellation of a registration. The rule provides for this Commission to cancel a registration on its own motion for violation of Commission rules, statutes, and orders.

Pursuant to Section 364.336, Florida Statutes, certificate holders must pay a minimum annual Regulatory Assessment Fee of \$50 if the certificate was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. Pursuant to Section 350.113(4), Florida Statutes, the Regulatory Assessment Fee return forms, for the period of January 1 through December 31, are mailed to entities at least 45 days prior to the date that payment of the fee is due. All entities that apply for registration receive a copy of our rules governing intrastate interexchange service.

Accordingly, we hereby find it appropriate to cancel each entity's IXC tariff and remove each entity from the register for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, unless each entity pays a penalty and cost of collection, together totaling \$500, and remits all past due Regulatory Assessment Fees, along with accrued statutory late payment charges, to the Florida Public Service Commission. Each entity must comply with these requirements within 14 days after the issuance of the Consummating Order, as explained in the Notice of Further Proceedings attached to this Order. The payment should be identified with the docket number and the company's name. For any payment (full or partial) of the penalty and cost of collection received, the cost of collection will be subtracted and will be deposited in the Florida Public Service Regulatory Trust Fund, pursuant to Section 350.113, Florida Statutes. Any monetary amount exceeding the cost of collection will be remitted to the Florida Department of Financial Services for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.285(1), Florida Statutes.

When the appropriate fees, statutory late payment charges, penalties, and collection costs are received, each docket shall be closed. Should any of the entities fail to comply with this Order within 14 days after the issuance of the Consummating Order, the entity shall have its IXC tariff cancelled and its name removed from the register, effective December 31, 2005. The collection of the past due RAfs, including statutory late payment charges, should be referred to the Florida Department of Financial Services for further collection efforts, and the dockets shall be closed. The cancellation of the tariff and removal from the register in no way diminishes any of the entities' obligation to pay applicable delinquent Regulatory Assessment Fees and accrued statutory late payment charges. If an entity's IXC tariff is cancelled and its name removed from the register in accordance with this Order, that entity shall immediately cease and desist providing intrastate interexchange telecommunications services in Florida. If any of the entities listed have their respective tariff cancelled and name removed from the register, and subsequently decides to reapply for registration as an intrastate interexchange telecommunications company, that company shall be required to first pay any outstanding penalties and cost of collection and fees, including accrued statutory late payment charges. We are vested with jurisdiction over this matter pursuant to Sections 364.336, 364.02, and 364.285, Florida Statutes.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that each of the entities listed herein shall pay a penalty and cost of collection, together totaling \$500, and the past due Regulatory Assessment Fees, including statutory late payment charges, to the Florida Public Service Commission for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, within 14 days after the issuance of the Consummating Order. The cost of collection will be subtracted from any monies collected as payments (full or partial) of the penalty and cost of collection, and will be deposited, along with the past due RAFs, in the Florida Public Service Regulatory Trust Fund, pursuant to Section 350.113, Florida Statutes. The statutory late payment charge and any portion of the penalty exceeding the cost of collection will be remitted to the Florida Department of Financial Services for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.285(1), Florida Statutes. It is further

ORDERED that if an entity's tariff is cancelled and its name removed from the register in accordance with this Order, that entity shall immediately cease and desist providing intrastate interexchange telecommunications service in Florida. It is further

ORDERED that any protest to the action proposed herein shall specify the entity or entities to which it applies. It is further

ORDERED that if a protest to this Order is filed, the protest shall not prevent the action proposed herein from becoming final with regard to the remaining entities listed in this Order. It is further
