Discussion of Issues

Issue 1: Should the Commission deny Inmark, Inc. d/b/a Preferred Billing, a voluntary cancellation of its IXC tariff and Registration No. TI674 and cancel the tariff and remove the company's name from the register on the Commission's own motion with an effective date of July 18, 2007?

Recommendation: Yes, the company should be denied a voluntary cancellation as listed on Attachment A. (Isler, McKay)

Staff Analysis: See attached proposed Order.

Issue 2: Should this docket be closed?

Recommendation: Staff recommends that the Order issued from this recommendation will become final and effective upon issuance of a Consummating Order, unless a person whose substantial interests are affected by the Commission's decision files a protest that identifies with specificity the issues in dispute, in the form provided by Rule 28-106.201, Florida Administrative Code, within 21 days of the issuance of the Proposed Agency Action Order. As provided by Section 120.80(13)(b), Florida Statutes, any issues not in dispute should be deemed stipulated. If the company fails to timely file a protest and to request a Section 120.57, Florida Statutes, hearing, the facts should be deemed admitted and the right to a hearing waived. If the company pays the Regulatory Assessment Fee prior to the expiration of the Proposed Agency Action Order, then the cancellation of the company's tariff and the removal of its name from the register will be voluntary. If the company fails to pay the Regulatory Assessment Fee prior to the expiration of the Proposed Agency Action Order, then the company's IXC tariff should be cancelled administratively and its name removed from the register, and the collection of the past due Regulatory Assessment Fee should be referred to the Florida Department of Financial Services for further collection efforts. If the company's IXC tariff is cancelled and its name removed from the register in accordance with the Commission's Order from this recommendation, the company should be required to immediately cease and desist providing intrastate interexchange telecommunications service in Florida. This docket should be closed administratively either upon receipt of the payment of the Regulatory Assessment Fee or upon cancellation of the company's IXC tariff and removal of its name from the register. (McKay)

Staff Analysis: Staff recommends that the Commission take action as set forth in the foregoing staff recommendation statement.

NOTICE OF PROPOSED AGENCY ACTION ORDER
CANCELLING INTRASTATE INTEREXCHANGE TELECOMMUNICATIONS TARIFF
AND REGISTRATION ON THE COMMISSION'S OWN MOTION

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Inmark, Inc. d/b/a Preferred Billing currently holds Intrastate Interexchange Telecommunications (IXC) Registration No. TI674, issued by this Commission on September 3, 1997. Pursuant to Section 364.336, Florida Statutes, telecommunications companies must pay a minimum annual Regulatory Assessment Fee (RAF) for each certificate or registration if the certificate or registration was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. Pursuant to Section 350.113(4), Florida Statutes, the Regulatory Assessment Fee return forms, for the period of January 1 through December 31, are mailed to entities at least 45 days prior to the date that payment of the fee is due. In addition, Rule 25-24.474, Florida Administrative Code, provides that intrastate interexchange companies must pay any current and past due Regulatory Assessment Fees with its request for cancellation.

On July 18, 2007, this Commission received a letter from the company's attorney, Patrick D. Crocker with Early, Lennon, Crocker & Bartosiewicz, P.L.C., dated July 13, 2007, requesting cancellation of Inmark, Inc. d/b/a Preferred Billing's IXC registration. Our staff e-mailed Mr. Crocker the 2007 RAF return form on July 27, 2007. On August 27, 2007, this Commission

received the 2007 RAF return form showing \$3,970.35 intrastate revenues and a check for \$50. On the same date, August 27, 2007, our staff e-mailed Mr. Crocker and explained that the minimum RAF had increased to \$700, therefore, there was a balance of \$650 on the 2007 RAF. The 2007 RAF balance has not been paid.

For the reasons described above, we deny Inmark, Inc. d/b/a Preferred Billing's request for voluntary cancellation of its IXC tariff and removal of its name from the register. However, we find it appropriate to involuntarily cancel the IXC tariff and remove the company's name from the register, effective July 18, 2007, on this Commission's own motion for failure to comply with Rule 25-24.474, Florida Administrative Code, and pursuant to Section 364.336, Florida Statutes.

Since it appears Inmark, Inc. d/b/a Preferred Billing no longer provides service in Florida and has requested cancellation of its registration, there would be no purpose in requiring the company to pay a penalty. The cancellation of the IXC tariff and removal of its name from the register in no way diminishes the entity's obligation to pay the applicable Regulatory Assessment Fee. If this Order is not protested, the company's IXC tariff shall be cancelled, and Registration No. TI674 removed from the register, effective July 18, 2007. If the company pays the 2007 Regulatory Assessment Fee in full prior to the expiration of the Proposed Agency Action Order, then the cancellation of the company's IXC tariff and removal of its name from the register will be voluntary. If the company fails to protest the Order or pay the Regulatory Assessment Fee in full prior to the expiration of the Proposed Agency Action Order, then the company's IXC tariff should be cancelled administratively and its name removed from the register, and the collection of the unpaid Regulatory Assessment Fee should be referred to the Florida Department of Financial Services for further collection efforts. If the company's IXC tariff is cancelled and its name removed from the register in accordance with this Order, the company should be required to immediately cease and desist providing intrastate interexchange telecommunications service in Florida. This docket should be closed administratively either upon receipt of the payment of the Regulatory Assessment Fee or upon cancellation of the company's IXC tariff and removal of its name from the register. If Inmark, Inc. d/b/a Preferred Billing's IXC tariff is cancelled and its name removed from the register, and the company subsequently decides to reregister as an intrastate interexchange telecommunications company, that company shall be required to first pay any unpaid Regulatory Assessment Fees, including accrued statutory late payment charges. We are vested with jurisdiction over these matters pursuant to Sections 364.336, 364.02, and 364.285, Florida Statutes.

Based on the foregoing, it is

ORDERED that pursuant to Rule 25-24.474, Florida Administrative Code, Inmark, Inc. d/b/a Preferred Billing's IXC tariff and Registration No. TI674 is hereby cancelled and its name removed from the register effective July 18, 2007, on this Commission's own motion for failure to pay the 2007 Regulatory Assessment Fee in full, pursuant to Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code. It is further

ORDERED that the cancellation of the IXC tariff, including removal of its name from the register, in no way diminishes Inmark, Inc. d/b/a Preferred Billing's obligation to pay the

applicable Regulatory Assessment Fees. If Inmark, Inc. d/b/a Preferred Billing's IXC tariff is cancelled and its name removed from the register, and the company subsequently decides to reregister as an intrastate interexchange telecommunications company, that company shall be required to first pay any unpaid Regulatory Assessment Fees, including accrued statutory late payment charges. It is further

ORDERED that if Inmark, Inc. d/b/a Preferred Billing pays the Regulatory Assessment Fee prior to the expiration of the Proposed Agency Action Order, the cancellation of the tariff and removal of its name from the register shall be deemed voluntary. It is further

ORDERED that if Inmark, Inc. d/b/a Preferred Billing does not pay the Regulatory Assessment Fee prior to the expiration of the Proposed Agency Action Order, the collection of the Regulatory Assessment Fees shall be referred to the Florida Department of Financial Services for further collection efforts. It is further

ORDERED that if Inmark, Inc. d/b/a Preferred Billing's IXC tariff is cancelled and its name removed from the register in accordance with this Order, the company shall immediately cease and desist providing intrastate interexchange telecommunications service in Florida. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings" attached hereto. It is further

ORDERED that in the event this Order becomes final, this docket shall be closed upon receipt of the Regulatory Assessment Fees, including statutory late payment charges, or upon cancellation of the IXC tariff and removal of the company's name from the register.

By ORDER of the Florida Public Service Commission this _____ day of _____, _____.
