Case Background

On February 13, 2008, PNG Telecommunications, Inc. d/b/a PowerNet Global Communications d/b/a CrossConnect (PNG) and Global Touch Telecom, Inc. (GTT), both intrastate interexchange companies (IXCs), submitted a joint request for a waiver of the carrier selection requirements of Rule 25-4.118, Florida Administrative Code. If the waiver is granted, GTT can transfer certain customer accounts to PNG without PNG having to obtain each customer's authorization. Approximately 412 customers are being transferred. GTT will retain

its IXC registration with the Commission and will continue providing long distance service in Florida.

This waiver is being sought to provide the Commission notice of the transfer of assets, for the treatment of customers in a consumer-friendly manner and to allow for a transition to occur in a smooth process protecting both the consumers and the company. Without this waiver, PNG would be required to obtain signed letters of agency (LOAs) or third party verifications (TPVs) from each customer being transferred. With the waiver, PNG can protect itself from possible complaints of unauthorized carrier changes. This waiver is also beneficial to the customers as they will not be subject to a loss of service on the date of transfer. Thus, this recommendation addresses the request for waiver of Rule 25-4.118, Florida Administrative Code, for intrastate interexchange telecommunications services.

The Commission is vested with jurisdiction in this matter pursuant to Sections 364.02 and 364.603, Florida Statutes. Accordingly, staff believes the following recommendations are appropriate.

Discussion of Issues

Issue 1: Should the Commission approve the request for waiver of the carrier selection requirements of Rule 25-4.118, Florida Administrative Code, in the transfer of Global Touch Telecom, Inc.'s customers to PNG Telecommunications, Inc. d/b/a PowerNet Global Communications d/b/a CrossConnect?

Recommendation: Yes, the Commission should approve the request for waiver of the carrier selection requirements of Rule 25-4.118, Florida Administrative Code. **(M. Watts, Coleman, McKay)**

Staff Analysis: Pursuant to Rule 25-4.118(1), Florida Administrative Code, a customer's carrier cannot be changed without the customer's authorization. Rule 25-4.118(2), Florida Administrative Code, provides that a carrier shall submit a change request only if one of the following has occurred:

- (a) The provider has a letter of agency (LOA) . . . from the customer requesting the change
- (b) The provider has received a customer-initiated call for service . . . ;
- (c) A firm that is independent and unaffiliated with the provider . . .has verified the customer's requested change . . .

Pursuant to Rule 25-24.475(3), Florida Administrative Code, Rule 25-4.118, Florida Administrative Code, is incorporated into Chapter 25-24, and applies to IXCs.

Rule 25-24.455(2), Florida Administrative Code, states:

An IXC may petition for a waiver of any provision of this Part. The waiver shall be granted in whole, granted in Part or denied based on the following:

- (a) The factors enumerated in Section 364.337(4), Florida Statutes;
- (b) The extent to which competitive forces may serve the same function as, or obviate the necessity for, the provision sought to be waived;
- (c) Alternative regulatory requirements for the company which may serve the purposes of this part; and
- (d) Whether the waiver is in the public interest.

The authority for Rule 25-4.118, Florida Administrative Code, is found in Section 364.603, Florida Statutes, which is a section the Commission is authorized to waive.

PNG has attested that it will provide for a seamless transition while ensuring that the affected customers understand available choices with the least amount of disruption to the customers. Staff has reviewed the notice that will be sent to GTT's customers and found it to be adequate. The customers should not experience any interruption of service, rate increase, or switching fees.

Neither PNG nor GTT has any outstanding regulatory assessment fees, penalties or interest associated with its IXC registrations. Furthermore, neither company has active customer complaints on file with the Commission. PNG stated in its petition that if a former GTT customer files a complaint about the service provided by GTT prior to the transfer, PNG would refer the complaint to GTT and GTT would resolve it.

Staff believes that in this instance it is appropriate to waive the carrier selection requirements of Rule 25-4.118, Florida Administrative Code. If prior authorization is required in this event, customers may fail to respond to a request for authorization, neglect to select another carrier, and lose their long distance services. Furthermore, staff believes that granting this waiver will avoid unnecessary slamming complaints during this transition.

Therefore, staff recommends that the Commission approve the request for waiver of the carrier selection requirements of Rule 25-4.118, Florida Administrative Code, in the transfer of Global Touch Telecom, Inc.'s customers to PNG Telecommunications, Inc. d/b/a PowerNet Global Communications d/b/a CrossConnect.
