

Florida Public Service Commission

HELPING HANDS

JULY 2013

2-1-1 Big Bend provides invaluable information on community services, including PSC materials on utility bill assistance and conservation practices.

Partnerships, or "Helping Hands," are essential to help raise public awareness.

Many state agencies and organizations are "PSC Helping Hands," who assist Florida's Public Service Commission in serving consumers needing utility issues resolved, energy and water conservation information, and Lifeline Assistance telephone discount program applications.

A Public Service Commission "Helping Hand" is recognized each month in 2013.
