Florida Public Service Commission

HELPING

The Tallahassee Housing
Authority (THA) hosted the
PSC's Lifeline Awareness
Week kickoff that helped
qualified residents in
three THA neighborhoods
benefit from discounted
monthly telephone bills.

Partnerships, or "Helping Hands," are essential to help raise public awareness.

Many state agencies and organizations are "PSC Helping Hands," who assist Florida's Public Service Commission in serving consumers needing utility issues resolved, energy and water conservation information, and Lifeline Assistance telephone discount program applications.

A Public Service Commission "Helping Hand" is recognized each month in 2013.
