

PSC Commissioner Lisa Polak Edgar

## Elected NARUC's Second Vice President

On November 13, Florida Public Service Commissioner (PSC) Lisa Polak Edgar was elected Second Vice President of the National Association of Regulatory Utility Commissioners (NARUC), representing state utility regulators across the country.

*"I am honored to represent Florida in NARUC's leadership and look forward to working with my fellow State Commissioners on policies that benefit the consumers we all serve," said Commissioner Edgar. "It's an especially exciting time for NARUC, as we work to improve customer satisfaction, broaden stakeholder participation, and communicate state needs to pertinent federal agencies."*

Commissioner Edgar began her first Florida PSC four-year term in January 2005. From January 2006 to January 2008, she served as Chairman and was a member of the Florida Energy Commission and the Governor's Action Team on Energy and Climate Change. In January 2009, she was reappointed to a second four-year term and has worked to develop policies to strengthen the state's electric infrastructure, promote fuel diversity, and to establish net metering and interconnection rules that encourage customer participation and development in renewable energy.

Recently reappointed by Governor Rick Scott to her third PSC term, Commissioner Edgar serves on NARUC's Board of Directors, as well as the Committees on Electricity and Consumer Affairs. She was also recently appointed to a new NARUC Task Force on Environmental Regulation and Generation. From 2005 through 2009, she served on the Federal Communications Commission Universal Service Joint Board working for efficient, accountable, and fiscally responsible use of universal service funds.

As Second Vice President, Commissioner Edgar is a member of the NARUC Executive Committee, which oversees NARUC's overall operations, and includes the NARUC President, First Vice President, Second Vice President, Treasurer, and three ex-officio members to provide geographic balance. The Executive Committee oversees NARUC's overall operations.

Commissioner Edgar is the first Florida Commissioner to be a NARUC officer, and was elected at NARUC's 124th Annual Meeting, November 11-14, in Baltimore, Maryland.
