Federal Communications Commission (FCC) Commissioner Mignon Clyburn visited the Florida Public Service Commission (PSC) to speak at the November 29 Internal Affairs meeting. With the many activities affecting the nation's telecommunications industry, PSC staff invited Commissioner Clyburn to provide an FCC update to Commissioners. Serving her second FCC term, Commissioner Clyburn discussed rules to modernize the Lifeline Assistance telephone discount program, the Connecting Communities initiative, the Solutions 2020 conference, and other priorities. Commissioner Clyburn is a longtime champion of consumers and a defender of the public interest, strongly advocating for enhanced communications accessibility for disabled citizens and promoting strong competition across all communications platforms.
